Before Me, the undersigned authority, personally appeared Detective J. Pasternak 759 who, being duly sworn, alleges, on information and belief, that on the 20th day of March, 2011, in Hernando County, Florida, the defendant did:

Continued narrative. The victim stated that in 2010 while she was [redacted] years of age the defendant would have oral sex with her approximately twice a month by both giving and receiving oral sex. The victim stated that the defendant would make her dress up and watch pornography with him while he touched her and masturbated himself so that he could get off. The victim stated that throughout 2010 the defendant would accept oral sex from her in order to let her do things that she wanted to do such as hanging out with friends and with boys she liked, again taking advantage of his position as a parent. The victim also added that the defendant would make her take both provocative and nude photos of herself and send them to him on his cellular phone on numerous occasions.

The victim stated that in 2011 while she was [redacted] years of age the defendant preformed oral sex on her three times and that she performed oral sex on him twice. During this time the defendant continued to make her watch pornography and send him nude photos of herself.

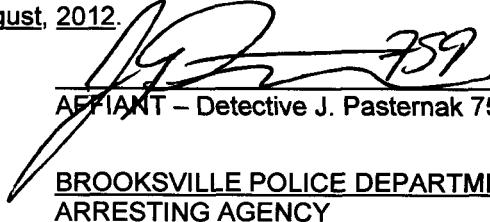

The victim stated that in 2012 while she was [redacted] years of age the defendant performed oral sex on her six times and that she refused to perform oral sex on the defendant. The victim stated that she never disclosed the abuse to her adoptive mother because she was scared and felt bad for what had happened.

On 07/26/2012 at approximately 1523 hours, I conducted an audio/video recorded non custodial interview with the defendant at the Brooksville Police Department. During the interview the defendant admitted that he had received nude photos of the juvenile victim on his cellular phone on approximately seven to eight occasions to include photos of her breasts, buttocks and her provocatively dressed in underwear.
